MOTION TO GRANT DEFENDANT'S
UNOPPOSED MOTION FOR
COMPASSIONATE RELEASE

The court is requested to grant Toye Tutis's motion for a sentence reduction under the Compassionate Release provision of the First Step Act (18 USC § 3582 (c)(1)(A)), because it is unopposed by the Government. The United States has conceded Toye Tutis's **eligibility** and **qualification**, there to, by not filing its opposition as ordered by the Court, which was due on, or before, August 17, 2020.

In addition, the Court is requested to take into consideration the fact that Toye Tutis suffers from the collateral consequences of Tuberculosis, which increases his vulnerability to death from Coronavirus. It is reported that several staff members at FCI-Gilmer have recently tested positive for the Coronavirus disease.

WHEREFORE, the Court is requested to grant Toye Tutis a sentence reduction and immediate release from prison.
